

Body Massage

Traditional Balinese Massage

Balinese massage is a relaxing and rejuvenating style that has been handed down through generations.

It relieves muscle tension, improves circulation, and realigns the body; leaving you feeling relaxed, refreshed and radiant.

1 hour Rp. 90,000

90min Rp. 130,000

Traditional Poultrice Massage

Balinese Poultrice massages begin with specialized flowing massage techniques to purify the blood and stimulate circulation throughout the body. Working from the crown of the head downwards redirecting energy along meridian lines. Followed by our own Herbal blend Poultrice massage using freshly prepared ingredients as cloves, ginger and our own Balinese Spice masala.

2 hours Rp. 240,000

Aromatherapy – essential oils

The most relaxing aromatic experience for all of the senses, relieving muscle tension, stress and aches in the problem areas with deep strokes and natural essential oils.

Stimulates overall blood circulation, increasing ABC. Choose from a variety of essential oils. Jasmine, Lavender, Frangipani

1 hour Rp. 100,000

90min Rp. 140,000

Warm Stone

Warm stones and traditional Balinese-style massage techniques are combined in this deep tissue massage, which is especially effective in relieving muscular tension, problems and pains in the hips, neck and shoulders.

90min Rp. 150,000

Thai Massage

This dry massage stretches and stimulates circulation in all parts of the body, and is especially suitable for those with painful muscles and stiffness.

75min Rp. 160,000

Medical Massage

This massage combines Shiatsu and Thai-style massage and focuses on muscular and joint problem pains. This Specialist massage begins with heating medical cream and warm towel compression on problem areas.

75min Rp. 160,000

Twin Massage

Spoil yourself with a Four-handed Balinese massage (two therapists) for total body bliss. Experience the delight of both sides of the body being massaged simultaneously.

1 hour Rp. 180,000

Exfoliating Body Salt Scrub

An exfoliating salt scrub massage removes dry, flaky, dead skin and reveals the supple soft skin beneath. The pores are also left unclogged of dirt and bacteria, encourages the circulation of blood and gives the skin an attractive and rosy post-scrub glow.

70mins Rp. 150,000

Spa Treatments

Full Body Scrubs

Exfoliate, rejuvenate and soften your skin with a Full Body Scrub using freshly prepared and traditional natural ingredients.. Each professional scrub finishes with a cooling Yogurt & Honey Body Mask that leaves your skin feeling soft and moisturized.

30min Herbal Rp. 70,000

30min Sea Salt Rp. 80,000

Classic Head Massage

This Balinese-style massage begins with the Back & Shoulders, then continues to the Head and Neck. It is especially good for improving circulation, relieving neck tension and the removal of headaches and built-up stress. Helps stimulate the Vagus nerve, improving digestion and endocrine function.

30min Rp. 60,000

Exfoliating Facial

Our Facial package is perfect for exfoliating and replenishing the skin. We use the finest quality all-natural ingredients to cleanse, scrub, moisturize and refresh the face; resulting in a softer and more radiant complexion.
